

# Are you a member of the Greater Jefferson-German Lakes Association? If you answered “No”, then, why not? Here’s why you should you join GJGLA:

Because you choose to live on one of these beautiful lakes or close enough to enjoy them on a regular basis, **we invite you to join us** and your neighbors as we work together to improve and preserve the water quality in our lakes.

## Why join?

- Joining the Association gives you a voice and allows the Association to have a greater presence in the county and the state. This provides a greater chance for state funding for projects in our watershed.
- Being a member shows support of conservation projects in our watershed for clean water and good habitat.
- The Association partners with Le Sueur County Environmental Services and the Minnesota DNR to educate lake residents and users to prevent the spread of Aquatic Invasive Species.
- The Association partners with the Le Sueur County Soil and Water Conservation District to participate in programs that improve wetlands and drainage management for improved water quality.
- The Association is a member of the Coalition of Lake Associations (COLA) where we learn of successful water quality interventions in our area that can be implementable in our chain of lakes
- Finally, if you like good fishing, swimming, bird watching & boating, support your Association.
